Premium Entrance Matting Systems

Geggus E·M·S. matting systems are the perfect solution for lobby or entrance areas, are suitable for interior, exterior, or passage zones, and can be designed according to individual requirements. All combinations with brush strips, scraper bars, ribbed carpet and grooved rubber feature an efficient impact sound reduction due to the insulating rubber pad underneath, that is much superior to traditional foam material. More colours options offer better choices for individual design concepts.

Ideal application for:

- Hotels
- Offices
- Banks
